Gentlemen:

This letter is written to nominate for your consideration the name of Miss Clara Barton as a candidate for inclusion in the Hall of Fame for Great Americans.

If there is anything further which may be done to promote this nomination, I will count it a favor if you will let me know.

In the 1956 issue of the World Almanac, I note that: "Busts and tablets are donated by individuals and associations." Since Miss Barton was connected with the Universalist Church, this possibility is one concerning which I would like to have information. As I understand it, the next election will be in 1960 and, if appropriate, it would be a privilege for me to bring this matter to the attention of interested persons within the Universalist Church so that resources may be arranged for the donation in the event of election.

Sincerely yours,

*Carl H. Olson.*
